About VLIR-UOS

VLIR-UOS supports partnerships between universities and university colleges, in Flanders (Belgium) and in the South. Our aim is to look for innovative responses to global and local challenges.

We fund cooperation projects between professors and researchers and award scholarships to students and professionals in Flanders and the South. Our projects help to strengthen higher education in the South and promote the globalisation of higher education in Flanders. www.vliruos.be
With the support of the Belgian development cooperation.

Sincerely,
