2016

ENTRY FORM

Galerie NOKO, in partnership with the Summerstrand Hotel, has created an alternative platform solely to discover, provide opportunities and showcase exciting new talent in contemporary arts.

The aim is to also make a meaningful contribution to an emerging artist's career on many levels, including high quality exposure in group shows as well as professional career development. The works should take us through a journey of our diverse backgrounds and South Africa's multi-culture society. We believe that the works will provide a window into the visual culture, exigencies and narratives of the youth.
