Epworth Scholarships

Epworth awards a limited number of major and minor academic, cultural and sporting scholarships which are tenable for five years provided standards are maintained.

Academic Scholarships

These scholarships are based on the results of the Entrance Examination which all applicants are required to write. There is no application form for the academic scholarships - all children writing the Entrance Examination are automatically eligible for these scholarships.

The Entrance/Scholarship Examination consists of three papers:

- English
- Afrikaans or Zulu
- Mathematics

These examinations are skills rather than content-based. They predominantly take into consideration the work covered in Grade 6.

Examination Date: Friday 5 May 2017 from 7h30 – 11h00

Cultural Scholarships (Dance and Music)

These scholarships require a completed Cultural Scholarship Application Form (attached and available on the website: www.epworth.co.za) and an audition. Music requires a theory assessment which will be written immediately after the Entrance/Scholarship Exam.

Music: Parents will be contacted to set up an audition date and time.

Dance: The group dance audition will be held on **Friday 5 May 2017 from 11h45 – 12h15 in the Gym Hall.**
