Supplier Database via the new Vendor Portal.

Suppliers who are currently on the City Power database are required to check their data and update their records by uploading B-BBEE certificates and other relevant documents.

Continuing our initiative to provide a seamless and prompt service engagement with our suppliers, we have introduced a Vendor Portal where current and potential vendors may register and keep their documentation updated. We request that new and existing suppliers access the link at www.citypower.co.za and register on our Vendor Portal. A user guide is also available on the website and support is available at 071 713-6901 / 078 887-2063 during business hours.
