

## Study in Italy - Padova International Excellence Scholarship Programme

The University of Padova, Italy, is offering full scholarships to talented prospective students wishing to pursue an English-taught degree at Padova.

**Who can apply:** highly talented prospective international students from all over the world wishing to enrol in one of University of Padova 23 degree courses held in English (Bachelor and Master level). Check our [website](#) for the full list of available courses. To be eligible, you must:

- have a non-Italian nationality
- hold a non-Italian secondary school diploma (for first-cycle degree applicants) or a non-Italian first-cycle / Bachelor diploma (for second-cycle / Master degree applicants)
- have been admitted to one of University of Padova degree courses taught in English
- not benefit of other national or international scholarships or grants.
- be able to comply with the conditions for obtaining an Italian visa

**How to apply:** you can apply for the scholarship directly when completing the application form of the chosen Degree Course ([link](#))

**When to apply:** online applications are now open and close on **28 February 2018**.

**Amount of scholarship:** max. tuition fee-waiver + euro 12.000 scholarship (gross amount). An additional scholarship (euro 7500 - gross amount) is offered for the second-cycle degree course in Forest Science.

**Selection criteria:** eligible candidates are selected for a scholarship on the basis of their academic excellence and promise in the proposed field of study; academic quality and results of the preceding education, etc. The highest candidate in the rankings of each degree course will be awarded the scholarship.

**Duration of scholarships:** scholarships will be offered for 1 academic year. They might be renewed for the second (and third) year upon certain conditions (academic achievements, etc.).
